## ***This is Our Gospel Meeting***

We are privileged to live in an area with many churches we can visit when they have Gospel Meetings. It is good for us to do so and we should look forward to visiting our brethren in other places.

However, next week we have a gospel meeting starting and this is when we can support the work of the Lord in our own town. Much planning and preparation has gone into this meeting. Greg Litmer will be here to speak and we are in for a real treat. So get ready Camden Avenue. It is Gospel Meeting time. What can we all do to support this effort?

1. *Be here for each service.* The importance of your being here cannot be overstated. In a small group as ours, even 1 absent person is noticed and missed. Brother Litmer is going to say things that will strengthen your faith and you need to hear them.
2. *Advertise this meeting.* I know that nearly 200 announcements have disappeared off the table and that is good if they are being used to invite others to our meeting. It may be that you know someone special that would benefit from hearing the lessons that will be presented. Call and invite them. We want as many as can to come to hear the gospel. A sincere invitation from you may help win a soul to Christ.
3. *Participate in the service.* Sing with spirit, Pray with the leader, and listen to the lessons. You will get out of the service what you put into it.
4. *Pray for the success of the meeting.* The effective fervent prayer of a righteous man avails much (James 5:16.) We need God's blessings on all our efforts and praying for the meeting will help.
